HON. J. MAC DAVIS

MICHAEL G. NEIMON  
District Court Administrator

DISTRICT OAWI SENTENCING GUIDELINES COMMITTEE:

Hon. Randy Koschnick, Jefferson Co.  
Hon. Andrew Gonring, Washington Co.  
Hon. J. Mac Davis, Waukesha Co., Chairperson  
Hon. Paul Malloy, Ozaukee Co.

## SENTENCE OPTIONS/ALTERNATIVES

### Alcohol Assessment and Driver Safety Plan. (All offenses)

- Court may order the safety plan to include effect on any victim or victim's family. (All offenses)
- Court may order community service work that demonstrates adverse effects of abuse (and a reasonable fee). (All offenses)
- Court may order a visit to a site that demonstrates adverse effects of abuse (and a reasonable fee). (All offenses)
- Court must order community service to pay off fine, if a finding is made that there is an inability to pay.
- Court may also order restitution. (All offenses)
- Court may, after a finding of inability to pay, reduce the costs or forfeiture and order the person to pay the difference toward the cost of the alcohol assessment and driver safety plan. (All offenses)

IGNITION INTERLOCK OF OWNED VEHICLE (IID). **Required for all offenses except for 1<sup>st</sup> offense with BAC under .15. Note: IID may start/end on a different date than revocation as revocation period is extended by any imprisonment imposed. 343.30(1r). (The law provides for reduced cost of installation if defendant is found to be indigent.).** Court may order a motor vehicle owned and operated by a violator to be seized and forfeited. (3rd offense and above only)

PROBATION: **Probation may be ordered in some OWI/PAC cases. However, because it is not a “sentence” the law does not require guidelines relating to probation (346.65(2m)). In probation cases, it is suggested that a longer stayed sentence be paired with a shorter condition time in jail. Conditional jail time in OWI/PAC cases does earn good time (973.09(1)). In-any-event, condition time must be equal to at least the mandatory minimum jail sentence.**

RESTRICTED\CONTROLLED SUBSTANCE CASES: **Guidelines are not required for Restricted\Controlled Substance offenses.**

## Modifications to OWI Guidelines

The following is a brief description of the provisions contained in 2009 Act 100<sup>1</sup>:

- Increases the penalties to a Class H felony and a minimum imprisonment of 6 months for 4th offense OWI within a five-year period; to a misdemeanor for first time offenders if a child under the age of 16 was present in the vehicle; and to a Class H felony for the second or higher OWI offense if there is also injury to another person. Minimum jail term for 4<sup>th</sup> offense increase from 30 day to 45 days. Minimum initial confinement times in prison are established at 3 years for 7<sup>th</sup>-9<sup>th</sup> offense (now a Class G Felony) and at 4 years for 10<sup>th</sup> or higher (now a Class F Felony).
- Allows a trial court to place a person on probation for 2nd or 3rd offense.
- Applies all surcharges and assessments to a person convicted of a first offense OWI who has a blood alcohol concentration between 0.08 and 0.099. Removes the provision that .08 to .099 offenses are purged after 10 years.
- Imposes stricter ignition interlock device requirements, including a mandatory one year order if a first offender has an alcohol concentration of 0.15 or more or if a person commits a subsequent OWI offenses; also creates a \$50 ignition interlock surcharge.
- Authorizes any county to institute a program similar to Winnebago County's that allows lower penalties for those agreeing to a treatment regimen.
- Eliminates the court's discretion to delay the execution of a sentence for persons convicted of 3rd or higher offenses; also prevents Huber Law participation unless the person has an IID installed.
- Extends the period of license revocation by the number of days that the person is required to spend in jail or in prison.
- Revises the eligibility of a person with two or more offenses to an occupational license by decreasing the waiting period to 45 days and increasing the current \$50 reinstatement fee by an additional \$40.
- Funds the additional costs that will result for the criminal justice and corrections systems, including costs for the court system, by increasing the clerks' fee in all criminal actions from \$20 to \$163.
- 7/6/10 revision should have reflected \$65 Victim Witness surcharge not \$40 for 4<sup>th</sup> offense Felony with priors.
